PROPERTY DESCRIPTION

TROPICAL CANAL-FRONT LIVING | 4 BEDROOMS | POOL | PRIVATE DOCK Set on an impressive 0.52-acre parcel, this spacious four-bedroom, three-bathroom canal-front home offers relaxed island living, exceptional outdoor space and excellent boating access. Boasting 122 feet of canal frontage, a 50-foot dock and a 25-foot swimming pool, this property is ideal for boating enthusiasts and those seeking a private tropical setting. The ground floor features an expansive living and family room opening onto a generous screened patio, with two bedrooms and a bathroom also conveniently located downstairs. The impressive kitchen and dining area benefit from cathedral ceilings, granite countertops, stainless steel appliances and a gas hob. Terracotta Spanish tiles, teak furnishings and abundant natural light add to the home's welcoming character. Upstairs, the master suite features an ensuite bathroom and his-and-hers closets, alongside a further bedroom. Both bedrooms open onto a screened verandah overlooking the lush tropical gardens and canal. The beautifully established grounds include a tropical garden, a pergola with electricity, a separate garden summer house with verandah and power, and ample parking. Approved plans are also available for a double garage with an apartment above, offering further potential. Additional features include three independent AC systems for more efficient energy management, surround sound speakers, wheelchair-accessible three-foot doorways and hurricane shutters throughout. A particularly attractive feature: The land immediately south of the property is designated LPP (Little/Low Population Planning designation – confirm the official designation), with development restrictions that may help preserve the surrounding outlook. With its clean canal, excellent boating access and generous grounds, this is a wonderful opportunity to secure a substantial waterfront home in Grand Cayman.
