Built: 2028

Type: Residential
Bedrooms: 2

PROPERTY DESCRIPTION

Secret Beach is a private, design-forward oceanfront residence set along one of West Bay's most secluded and unspoiled stretches of shoreline. Defined by timeless architecture, exceptional craftsmanship and a striking 90-foot infinity-edge pool overlooking the Caribbean Sea, the property offers a rare combination of privacy, sophistication and resort-inspired living just minutes from Seven Mile Beach. With only 25 residences, Secret Beach maintains an exclusive, low-density footprint designed to prioritize space, tranquility and uninterrupted ocean views. The building will be clad entirely in elegant Spanish limestone, creating a refined and enduring architectural presence. Expansive hurricane-rated floor-to-ceiling glass systems maximize natural light while seamlessly connecting interiors with the surrounding landscape. Generous frontages and 10-foot ceilings further enhance the sense of scale and openness throughout each residence. Interiors have been carefully considered throughout, featuring custom Aster kitchens, premium appliances, Lualdi natural oak interior doors set within recessed bronze aluminum frames and bespoke Lualdi shower enclosures. Large-format porcelain flooring and shower finishes in muted grey and sand tones create a sophisticated, understated aesthetic, complemented by selected stone, glass and architectural detailing. Owners will also have the opportunity to personalize their residence through customized upgrade packages and a selection of finishes. At the heart of the property is a spectacular 90-foot-wide infinity pool overlooking the Caribbean Sea, surrounded by an expansive oceanfront deck. Residents will also enjoy exclusive access to a 1,700-square-foot owners' lounge positioned directly on the waterfront, with dedicated spaces for entertaining, relaxing and socializing. The wellness offering extends beyond Secret Beach itself, with owners receiving membership to The Rec Room, the bespoke members-only gym located at The Grov... View More
