PROPERTY DESCRIPTION

The Last Four-Bedroom Corner Penthouse - The Grove Too This is it. The final four-bedroom corner penthouse at The Grove Too - and quite simply, one of the most exceptional residences ever offered in the Cayman Islands. A Boutique Address Designed for Elevated Living Conceived as the natural evolution of the celebrated Grove, The Grove Too is a boutique development of just 68 luxury residences set above Class-A office and medical spaces, centred around a breathtaking courtyard garden by the internationally acclaimed Enea Garden Design. Low-density, meticulously curated, and designed for those who refuse to compromise, this is refined island living at its finest. Sophisticated Interiors with Exceptional Attention to Detail The penthouse itself is everything you would expect and more. Sweeping open-plan living flows to oversized balconies overlooking the lush courtyard, while custom German kitchens, premium millwork, solid brass fixtures, oak wood flooring, and high-end appliances throughout speak to an uncompromising standard of finish. A Rooftop Experience Above the Rest Above it all, a private rooftop terrace spans the entire west building, a resort unto itself, with a pool and hot tub, sauna and steam rooms, a meditation garden, social gathering spaces, a children's play area, and a rooftop bar. The views across the Caribbean Sea and North Sound are simply unforgettable. Security, Convenience, and Investment Appeal Security and peace of mind are built in: key-card entry, 24/7 manned security, CCTV, and electronic locks. A serviced rental programme makes this equally compelling as a primary residence or a high-performing investment. Built for Resilience in the Caribbean Constructed to exceed Miami-Dade hurricane standards with reinforced poured concrete, missile-rated glazing, and an elevated base level, The Grove Too is as resilient as it is beautiful.
