PROPERTY DESCRIPTION

Today, this turnkey penthouse is fully equipped for immediate enjoyment as well as investment, as this complex is under an existing renovation proposal. Its prime beachfront location makes it exceptionally attractive for short-term vacation rentals, delivering strong occupancy rates in one of the Caribbean's most sought after destinations. However, this is far more than a beautiful beachfront condo. It presents a rare investment opportunity on Seven Mile Beach with very significant built-in appreciation. A reputable international developer that already has a footprint on Seven Mile Beach has begun the early stages of redeveloping this premier property on the basis of creating an ultra high end property. Please inquire for more information. Price will increase as the project advances.
