PROPERTY DESCRIPTION

A private 1-acre parcel in Colliers, East End, set back a little over half a mile inland on a quiet, undeveloped road — a genuine blank canvas for buyers seeking space and privacy. Zoned agricultural/residential, the land is inland (fill will be needed for building) and suits a private residence, small-scale farming, or both. The road continues up to the Colliers Wilderness Reserve, a National Trust protected area known for its Blue Iguana release program and native wildlife, making this a peaceful, nature-adjacent setting away from the pace of development.
